The organizer guarantees civil liability insurance during the competition. The event is insured with the event organizer's civil liability insurance, with a total insurance amount of 6000 EUR based on LASVOVT appendix No. 3.

3.6 Participant Vehicles

Vehicles participating in the Lithuanian Off-road Championship must comply with the 2024 Lithuanian Off-road Championship Technical Requirements or the 2024 Latvian Automobile Sports Federation CT1 and CT2 and Tourism class requirements.

IV. INSPECTIONS

4.1 Document Inspection

4.1.1 Athletes must personally attend document inspection at the secretariat at the time and place indicated in the program. 4.1.2 During the inspection, the following documents must be presented: the original participant application with the necessary signatures, sports license, sports insurance, vehicle registration certificate, insurance, and the vehicle's sports technical passport if available. Also, any other mandatory documents specified in the supplementary regulations. 4.1.3 Except for cases known to the event director, athletes who do not attend the document inspection at the appointed time will not be allowed to participate in the competition. 4.1.4 Participants must have valid driving licenses not lower than LASF "C" or "CI" category or equivalent FIA ASF (member) licenses. All crew members must have valid licenses and sports insurance during the competition.

4.2 Technical Inspection

4.2.1 Vehicles arriving for technical inspection must comply with the 2024 Lithuanian Off-road Championship technical requirements or 2024 Latvian Can-Am Trophy regulations and be presented at the time specified in these regulations.

4.2.2 Any vehicle presented for technical inspection must be in a race-ready state, with all safety and auxiliary equipment securely attached.

4.2.3 Tire pressure must be set to 0.5 BAR.

4.2.4 If a participant is late for the technical inspection, the technical commissioner must be informed in advance by phone.

4.2.5 The participant must present valid vehicle registration documents and insurance.

4.2.6 The participant must present the LASF vehicle technical passport or an equivalent FIA ASF (member) vehicle technical passport. TR1, TR2, TR3 classes are mandatory. ADV class – if issued.

4.3 Crew Stickers and Numbers

4.3.1 Mandatory advertising stickers are issued during the administrative checks.

4.3.2 Vehicles and ATVs presented for technical inspection must have the assigned race numbers and mandatory advertising stickers affixed.

4.3.3 Stickers must be affixed to the vehicle. If the mandatory advertising stickers or race numbers are not affixed, the crew is not allowed to start, and the entry fee is not refunded.

4.3.4 Crews must ensure their own race numbers, except for the ADV class, for which the organizers will provide stickers during the administrative checks.

4.3.5 ATV class participants must wear a reflective vest with their race number on the back and chest. If participants have received such vests in previous competitions, they must provide them themselves. If changing the class during the championship, this must be additionally informed during registration/administrative checks. If the crew is participating in the Can-Am Trophy series for the first time in the 2024 season, the organizer will provide vests during the administrative checks and assign a race number. The race number may also be indicated on the ATV, but the vest is mandatory. If the participant's vest is unsuitable for use, a new one is provided during the administrative checks for a fee of 15 EUR, and the participant's race number changes accordingly.

4.3.6 Crew numbers must not duplicate; participants are requested to ensure their numbers do not duplicate existing ones during registration. This can be checked at <https://www.lasf.lt/lt/4x4/reglamentai/> by reviewing the appendix: “Race Number Register 2024”.

V. COMPETITION CONDUCT

5.1 Crew Requirements

5.1.1 Crew safety and equipment checks are carried out during the technical inspection.

5.1.2 When driving on public roads, crews must comply with Lithuanian road traffic rules unless otherwise specified in the supplementary regulations.

5.1.3 At the start and finish, the entire crew must be in the vehicle. If not all crew members are in the vehicle, the result is not included in the protocol.

5.1.4 During the competition, crew members must be sober and not under the influence of other intoxicating substances as required by Lithuanian road traffic rules. If there is suspicion that a crew member is intoxicated, the sporting commissioner or chief medical officer may check their sobriety with a breathalyzer. If intoxication is detected or the driver refuses to check, the sporting commissioners' decision prohibits the crew from continuing the competition. In this case, the entry fee is not refunded, and the participant's behavior is referred to the LASF Disciplinary and Ethics Commission.

5.1.5 By submitting an application to participate in the competition or signing during the administrative checks, the participant signs the 2024 Participant Commitment document; otherwise, the crew is not allowed to participate in the competition.

5.2 Competition Course

5.2.1 The official competition time is local time according to GPS.

- Competition start:
 - Location: Uoginiai, Kupiškio district
 - Coordinates: 55.888715, 24.774267 (WGS)
 - Date: August 16, 2024, first crew start at 20:45
- 5.2.2 All changes and additions, as well as important information related to the competition, will be published on the official notice board, approved by the Competition Director or Commissioner, and/or in the SPORTITY app. Sportity password: LPC5
- 5.2.3 Crews withdrawing from the competition must inform the organizers of the reasons, location, and time of withdrawal by calling the secretariat at the specified phone number +370 61220895
- 5.2.4 After repairing the sports car or ATV, a waterproof and oil-resistant mat (minimum size 4m x 4m) must be laid in place. Fuel filling must be done over a gasoline-resistant film (minimum size 1m x 1m), with a container for spilled fuel. A fine of 50 EUR for each such case is payable at the competition secretariat; if the fine is not paid, the crew is not allowed to start.

5.3 COMPETITION STAGES

The competition consists of the following stages (for classes TR1, TR2, TR3):

5.4 Additional Information

5.4.1 The starting order for the Prologue will be determined by drawing lots.

5.4.2 The starting order for OR1 is determined by the Prologue results.

5.5 MINIMUM EQUIPMENT REQUIREMENTS

5.5.1 Sufficient food and drinking water to last each crew member at least 10 hours.

5.5.2 Suitable clothing for the existing weather conditions.

5.5.3 A digital camera or smartphone with a memory card capable of taking photos. An Android or IOS device with an internet connection and GPS receiver, with pre-installed navigation software (e.g., Locus Map, OSM, Oziexplorer). It is recommended to use a suitable navigation laptop/tablet with a Windows operating system and navigation programs like Oziexplorer or Zinc.

5.5.4 Each team member must wear a yellow reflective vest during the race. Each team member must wear a helmet that meets the technical regulations of the class.

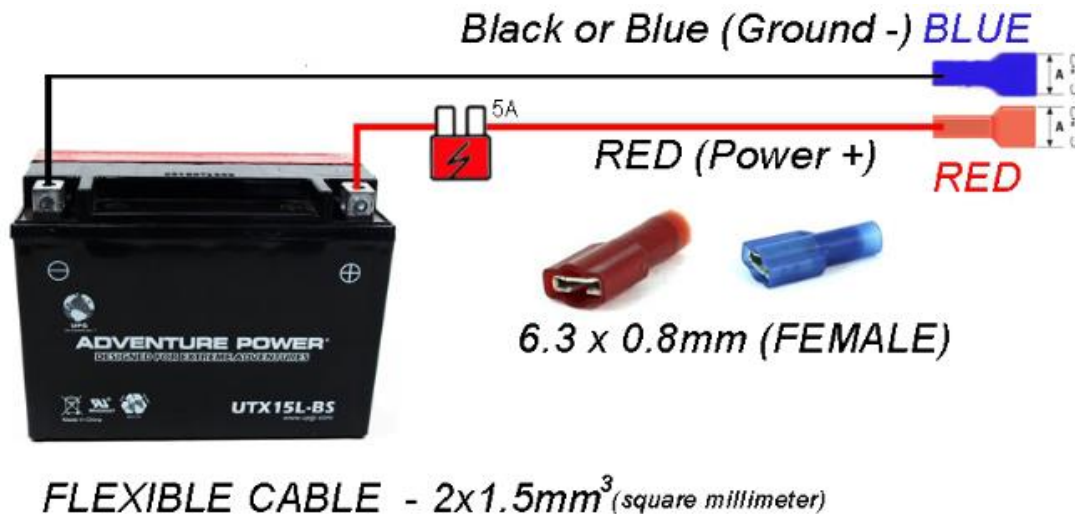

5.5.5 Participants can obtain the coordinates of the orientation stages in two ways:

5.5.5.1 From the documentation provided by the organizing team or the notice board/SPORTITY app or any alternative reference provided by the organizing team on the day of the race.

5.5.5.2 By submitting a USB flash drive during registration to record the coordinates electronically. The flash drive must not contain any other data. Note that alternative information media such as GPS devices and computers will not be accepted.

5.6 Additional GPS Tracking System Technical Requirements

5.6.1 TR1/TR2/TR3/ADVENTURE class vehicles must have a 12V outlet according to the specified diagram (see Example No. 1).

Pavyzdys Nr.1

5.6.2 If a “Kill Switch” system is installed in the vehicle, it must not disconnect the GPS tracking system from the power source (battery) when used.

5.6.3 Participants must have the wiring for the GPS tracking system connected according to the specified Example No. 1 before the technical inspection.

5.6.4 Technical compliance will not be confirmed for TR1/TR2/TR3/ADV class participants if the wiring for the GPS tracking system is not connected according to the specified example No. 1.

5.6.5 The wiring must have connectors (terminals) specified in Example No. 1 - 6.3 x 0.8mm.

5.6.6 The length of the wired connection for TR1/TR2/TR3/ADV classes must be at least 50cm. The wire must be connected in the central panel area.

5.6.7 The "positive pole" wire must have a 5A fuse installed.

5.6.8 A deposit of 100 EUR for the GPS equipment will be required, which will be collected when the equipment is installed and returned after the race. If the equipment is not returned or is damaged during the race, the deposit will not be refunded.

IMPORTANT: Each participant must ensure the technical condition of the electrical system and battery charging system. If it is found that the GPS tracking system did not work due to a failure of the vehicle's electrical system or it was mechanically damaged, the crew's result may not be counted.

VI. PENALTIES

6.1 All violations and penalties are specified in the 2024 Lithuanian 4x4 Off-road Championship and Cup regulations and rules Appendix No. 2.

6.2 Speed is limited on all transitions on public roads according to traffic rules (ADV classes). For TR1, TR2, TR3 classes (40 km/h). Speed tolerance is 0 km/h. If the speed is exceeded up to 10 seconds, a warning is given. The time of the exceeded speed is summed, and a penalty of 5 sec. = 50 EUR is applied. This additional penalty is payable to the event organizer and paid at the competition secretariat. If the fine is not paid, the crew is not allowed to continue the competition. If they refuse to pay this fine, the crew will be disqualified from the competition.

6.3 Organizers and official persons of the competition are not responsible for uploading points to any participant's device. Such an action is strictly prohibited and incurs a fine of 50 EUR payable to the event organizer from both sides – the participant and the official person of the competition.
